

## GOLF & RELAXATION

The Cristallo Hotel has two new offers for golf lovers

Combine the most elegant of sports in the new excellence gotha of Cortina (the Cortina Golf Club) with the deeply relaxing Transvital beauty treatments (three or seven days)

At last golf lovers have a new exclusive golf club, with equally exclusive holiday packages! The Cristallo Hotel Spa & Golf of Cortina d'Ampezzo and its partner, the Cortina Golf Club (the new elegant club of the "Queen of the Dolomites") are offering golf lovers a new kind of holiday package, **Golf & Relaxation**. This holiday package (3 or 7 days) in the splendid, luxury five-star hotel includes the best wellness treatments of the Transvital Swiss Beauty Center and entry to the Cortina Golf Club, which is usually reserved for members.

Guests choosing the Cristallo Hotel's **weekend** Golf & Relaxation package will have **two admissions to the Cortina Golf Club**, as well as being able to relax with Transvital's wellness treatments. **Ladies** will be able to enjoy **The Firming experience for body** (a firming and lifting therapy that rapidly restores tone, radiance and vitality to the skin) and **The Relaxing Experience for Body**, a special treatment for the body and face. The properties of Transvital treatments are combined with one of the newest wellness machines, called Nuvola [cloud]. This special bed floats on warm water and the gentle rocking sensation, combined with the lack of gravity, allows to relax completely. The final touch is in the hotel's exclusive salon, for a **perfect hair-set**. **Gentlemen** will also be able to enjoy a complete "wellness experience" with **The Relaxing Experience for body**. To revitalise and smooth the skin, there is nothing better than **The De-Ageing Experience for Men Body**. Guests will be able to enjoy the hotel's "Wet Area", swimming in the fantastic pool or relaxing in the Thermarium and Relaxarium. These treatments and options are also available to guests booking

a one-week Golf & Relaxation package. The wellness path of guests staying a week is even more intense and aimed at relaxing body and skin tissue completely, with the help of Transvital treatments. The **Deep Treatment**, an intense massage in the welcoming Transvital cabin, aimed at smoothing and purifying facial and body skin, as well as strengthening the scalp with its intense anti-ageing activity, is available to **ladies and gentlemen**. **Ladies** will be offered a body and facial **Ayurvedic massage** combined with **The Perfecting Experience for Face** massage. The best Transvital products, from the Perfecting Line and designed to prevent cell ageing, are applied. The final touch will be a hair-setting session followed by a **De Luxe Manicure and Pedicure**, to relax contracted muscles and restore energy and tone. A hair-do is offered to gentlemen as well, although it will be preceded by two treatments that will remove tension from facial and body tissues, **The De-Ageing Experience for face** and a fantastic hot stone massage, which helps to forget worries. Choose this intensive wellness therapy holiday and, if you choose the one-week Golf & Relaxation package, you will have four admissions to the Cortina Golf Club and the chance to play on the new 18-hole golf course (9 holes available).

The new Golf & Relaxation packages are designed to satisfy even the most enthusiastic lovers of golf, thanks to the new partnership with the Cortina Golf Club. The bond between this sport and the 5-star luxury hotel in the Dolomites was established in 2001, when the hotel became one of the founders of the Cortina Association. Elegance never travels alone. The Cristallo Hotel's style is always perfect.
